DOD: 6-25-09	KEVIN JOHNSON , son, was appointed Administrator without bond with Limited IAEA authority and Letters issued on 5-20-10.	NEEDS/PROBLEMS/COMMENTS: <u>Minute Order 12-7-12:</u> Ms. Kruthers will file accounting with the help from Mr. Johnson. Continued to 4-5-13. <u>As of 3-28-13, nothing further has been filed.</u> 1. <u>Need amended final account and/or petition for final distribution.</u>
	I&A filed 7-14-10 shows a total estate value of \$45,000.00 (real property only). The sole heirs of the estate are the Administrator, Kevin Johnson, and his sister, Phyllis Williams.	
	On 10-5-12, the Court removed Mr. Johnson and appointed the FRESNO COUNTY PUBLIC ADMINISTRATOR. Letters issued on 10-19-12.	
Cont. from: 062112, 080912, 100512, 110212, 120712	Status Report filed 10-29-12 states: Deputy Public Administrator Noe Jimenez met with an Escrow Officer at Chicago Title on 10-10-12, where escrow had previously been opened. Although two minute orders note that one of the heirs could buy the house, no specific amount was set forth. Whoever opened the escrow advised Chicago Title that the following specific disbursements were to be paid from escrow:	
Aff.Sub.Wit.	<ul style="list-style-type: none"> • Buyer (Daughter) to receive credit of ½ of the estate for \$20,000.00 • Joanne Sanoian attorney fees in the amount of \$9,800.00 (not approved by the Court, unclear if this was known or requested by Ms. Sanoian) • Kevin Johnson, Former Administrator, \$15,000.00 as his compensation 	
Verified	If these distributions had been made, the estate would then be insolvent, and the creditor would go without payment of \$1,958.59.	
Inventory	Public Administrator advised the Escrow Officer to make no distributions, and there may be a change in the sales prices. Public Administrator requests instruction from the Court regarding the appropriate sales prices and also requests that the Court revise the previous order so that sale proceeds not otherwise required to be paid from escrow, such as outstanding taxes and mortgage, be payable to the Public Administrator instead of a blocked account.	
PTC	Minute Order 11-2-12 states: Mr. Jimenez informs the Court that Ms. Williams was approved for 70% of the loan and is working with an officer to get the other 30%. Mr. Jimenez indicates to the Court that the sale price is \$45,000.00. The Court rescinds its previous order requiring a blocked account.	
Not.Cred.	Status Report filed 11-30-12 by Public Administrator states: Since the last hearing on 11-2-12, Phyllis Williams has obtained a loan for the remaining 30% of the purchase price and the title company is awaiting finalization of the loan. Once finalization has been obtained, escrow can close, and the proceeds will be distributed to the Public Administrator. At least 60 days is requested.

Petitioners state the mother has passed out with the children in her care on at least one occasion. Their son (the father) returned home and took a photograph, which shows that the children were present (attached).

Petitioners also state the older child has not been sent to school on a regular basis, and that when the younger child was taken to the hospital, Petitioners state the mother requested the doctor write a note for the older child's absences, which the doctor declined.

Petitioners state that in August 2012, the mother called and requested that they pick up Blake, and when they got home at nearly 6:30 pm, the child said all he had to eat all day was a piece of string cheese. Also in August, Petitioners state the father reported that the mother had left a message that she couldn't care for the children, so Allison (Petitioners' daughter) picked them up and provided childcare.

Petitioners state guardianship is necessary to protect the children and that being in the care of the mother is detrimental to the children.

Petitioners' Supplemental Declaration filed 10-26-12 requests that the Court reconsider the request for immediate temporary guardianship pending the hearing and provides information regarding a text message from the mother and a printout from the mother's Facebook page, which Petitioners state may indicate that the mother is planning to take the child out of state (attached).

Kianna Marie Encinias (Mother) filed two declarations and proofs of service on 11-5-12:

1. **Declaration of Kianna Marie Encinias states she does not agree with the petition.** Declaration provides response to the allegations in the petition. See declaration. Mother states she receives food stamps and the family is never without food. The father has not provided as a father or a partner with stable job or medical. She is a good mother and the children are her #1 priority. The children are well-behaved, well-adjusted good children. If she were an unfit mother and the allegations of Petitioners were true, then this would not be the case.
2. **Declaration of Gail Anne Erickson (Maternal Grandmother) states she does not agree with the allegations or proceedings.** Details provided.

Kianna Marie Encinias (Mother) filed an Ex Parte Request for Dissolution of Guardianship and an Objection to Guardianship on 1-11-13. Per Court order on 1-15-13, the ex parte request for dissolution of guardianship is denied, and any objections will be heard at the hearing scheduled for 1-31-13.

Ms. Encinias states Petitioners had told her they decided to drop their actions to seek guardianship, that they didn't want to take the children away from her, and that filing for guardianship was just "things getting ugly." Ms. Encinias states she asked Petitioners if she would care for the children when she was in the hospital, and they said it was no problem. However, while she was in the hospital, Petitioners filed for guardianship. Ms. Encinias states she had no knowledge of any new court proceedings or requests and was never served with anything. When she got out of the hospital, she was informed that Petitioners had gotten guardianship and she was not allowed to come get the children.

Ms. Encinias' Ex Parte Request for Dissolution of Guardianship states that one of the times that Kent came to drop off the kids, he told her that his attorney had written up a custody agreement for shared custody between the mother and the father, and they wanted to drop the guardianship because they don't want to take the children, they just want to be able to see them. Ms. Encinias states she signed the custody agreement with the understanding that everything would be dropped. On 1-1-13 she had to be hospitalized for exhaustion and Petitioners offered to care for the children. However, they then filed for guardianship and lied in their paperwork saying she had been served, when she had not.

Ms. Encinias feels her children have been abducted from her and she just wants them back home. She is a stay at home mom and the children are her entire life. Cameron (3) is extremely attached to her and she has never been away from him.

Court Investigator Jennifer Daniel filed a report on 12-14-12.

A DSS report pursuant to Probate Code §1513(c) has not yet been received.

Ms. Encinias filed a Declaration (with proof of service) on 1-29-13. Declaration states:

- On 10-8-12, an argument with Brian Weaver led to him assaulting her. He brought a group of people onto their patio and they were using illicit drugs while their children were present inside the home. Brian was arrested for domestic violence and Ms. Encinias was granted a 7-day emergency restraining order. 11CEFL06715.
- On the day the RO expired, Brian, his parents, and his brother came into her home videotaping and took Brian's belongings. The next day, Ms. Encinias filed papers at the courthouse for another restraining order, custody, property control, and payment. The order was approved. 11CEFL06715.
- Ms. Encinias spent the next several days trying to get Brian served. She was notified that CPS had been trying to reach her because of the domestic violence. The social worker came to the home and explained that the concerns were with Brian and his temper and violence. Ms. Encinias explained that he was no longer living in the home and had only been back once with his family for his belongings. She had no concerns about Ms. Encinias as a mother and was able to see that the children were living in a nice clean environment. At the end of the evaluation she said if Brian was allowed contact with the children, she would make sure the children are removed. That day, Ms. Encinias states she made it a point to inform Brian and his parents over the phone of these developments and made it extremely clear that Brian was not to be allowed around the children.
- Ms. Encinias states a couple of days later, Brian's sister Alison offered to take her and the children to the pumpkin patch because her car was not running. Alison asked if she could take the children to her house to carve the pumpkins, and Ms. Encinias agreed, trusting that they would not have Brian there, since they were aware of the CPS report and the consequences of having the children around him. However, when Kent brought the children home, Blake (7) said that his dad was there.
- Petitioner asked Tricia McAvoy why she ignored what they were told and allowed Brian to be there. She acted like nothing was wrong and said, "There's no restraining order." Ms. Encinias states she then told her that she couldn't trust them and they would not be seeing the children anytime in the near future. A few days later, Ms. Encinias states she was served with the petition for guardianship. Ms. Encinias thinks they did this out of revenge and anger, not out of genuine concern for the children.
- The children continued to reside with Ms. Encinias and Petitioners' attorney continued to send numerous documents. Shortly thereafter, Ms. Encinias was served with a 3-day notice on her residence. She was stressed and upset, and Petitioners sent constant text messages to let them pick up the children. She did not respond because she was terrified of losing the children.
- Ms. Encinias states she appeared in Court on 11-9-12 by herself against Petitioners' attorney. The court told the petitioners they might obtain a joinder into the family law case. Ms. Encinias allowed a modification to the family law order to allow supervised visitation.
- **Ms. Encinias states on 12-13-12 (Blake's birthday), Alison and Kent McAvoy stopped at her house to ask if they could give Blake birthday gifts and Ms. Encinias allowed them to come in for a few minutes. A few days later, she allowed the kids to go to dinner with Alison and Kent. When they came back, Kent asked to speak with her, and told her the situation had gotten ridiculous. He said, "Now they are bringing up contempt charges against you for the weeks you didn't register for the visitation." He told her she was looking at 35 days in jail, but if she would agree to get the criminal charges dropped against Brian in the DV case, have the restraining orders dropped, and sign a new custody agreement, which he had with him, then they would get the contempt charges against her dropped and stop all of the guardianship proceedings.**

SEE ADDITIONAL PAGES

- Ms. Encinias states she read the custody agreement and was okay with some things but not others. Kent told her "Don't worry about it, we can go back and make any changes you want to make later, but as long as we get this signed now, then Brian can start seeing the kids." Ms. Encinias signed the agreement thinking everything was going to be resolved.
- In January 2013, Ms. Encinias states she put the children in the care of her mother Gail Erickson and Petitioners Tricia and Kent McAvoy due to extreme stress and exhaustion and checked herself into the hospital for a few days with the understanding and agreement that the kids would only be in their care while she was in the hospital. However, her mother called the McAvoy's several times and they would not allow her to pick them up, and they now refuse to return the children to her.
- Ms. Encinias states Petitioners have disparaged her to the children to the point that Blake feels he had to choose between his father and grandparents or her. He has become standoffish whenever allowed to speak to her on the phone. Petitioners would not allow visits unless they were supervising. Ms. Encinias states she finally agreed to meet Petitioners at Chuck E Cheese to see the boys this weekend. Cameron was excited to see her and asked to go home with her. She asked if he could spend the night and was told absolutely not.
- Ms. Encinias states when they were leaving, Petitioners put Blake on the spot to tell her what she was putting him through. Ms. Encinias states they are letting all of these scary adult issues be made known to a 7 and 3 year old and trying to turn the children against her.
- Ms. Encinias states she has a chronic pain condition for which she is prescribed medications and is under the routine and consistent care of a doctor. She does not abuse the medications and is present and capable of caring for her children at all times. (Medications listed.)
- Petitioners have allowed her to see the children only if they are directly supervising. The situation is so full of animosity that she has not opted to do this for Blake's sake. Tricia has made many negative comments to Blake about her and Blake as told her, "Mom, grandma hates you." Having visits with Petitioners hovering over her would put Blake in a very uncomfortable position as he is convinced that he has to choose sides. Petitioners have only allowed her three phone calls since Jan 2 and one visit (Chuck E Cheese).
- **Ms. Encinias states she has always been able to care for her children, to provide what they need, and to keep them safe. She does not drink alcohol, does not use illegal drugs, and has never been arrested. She is receiving counseling for herself and is providing counseling for the children at Exceptional Parents Unlimited. The children are her highest priority and Blake has had no attendance issues at school.**

Ms. Encinias wishes the Court to consider:

- The father was arrested for domestic violence
- Police have been called to the home many times.
- Petitioners did not keep the father away from the children per CPS. The father lives in the home with Petitioners.
- Petitioner Kent attempted to coerce her to sign an agreement for custody and drop charges so that she could have the children back in her care.
- Petitioners are alienating her from her children.

Ms. Encinias requests the Court seriously consider and investigate the statements made in this Declaration and return the children to her care before they become even more emotionally distressed and traumatized.

NEEDS/PROBLEMS/COMMENTS:

1. **A Court Investigation was not completed due to the circumstances of this case. If this guardianship goes forward, need CI Report with clearances and/or DSS report per §1513(c).**

Background and information per Court records: Pursuant to Local Rule 7.15.7, if a matter is presently pending in the Family Law Court, a petitioner seeking custody or visitation rights will be instructed to seek joinder in the family law proceeding and request relief from that Court.

When this petition was originally filed, there was a presently pending matter involving custody of the children in the Family Court. A Domestic Violence Temporary Restraining Order filed 10-19-12 in an existing Family Law (UPA) case granted sole legal and physical custody of the children to the mother with no visitation to the father pending hearing scheduled for 11-9-12. At hearing on 11-9-12, the parties reached agreement regarding visitation, which became the order of the Court, and the matter was continued to 1-7-13. The DVTRO was reissued to expire on that date, with the new custody order (supervised visits to the father).

In the meantime, a Criminal Protective order was entered on 11-27-12 in Fresno Superior Court Case M12924251 with an expiration date of 11-27-15, which order was filed into the Family Law case. The order protects Kianna Encinias from Brian Weaver.

On 1-3-13, in this probate guardianship matter, temporary guardianship was granted on the Court's own motion due to circumstances on that date.

On 1-7-13, in the Family Law matter, Ms. Encinias did not appear and the DVTRO was terminated. Examiner notes that pursuant to Family Code §6340, custody orders survive termination of any protective order; however, no further hearing was scheduled by the parties to address or modify the orders made on 11-9-12.

In other words, after 1-7-13, there was nothing "presently pending" in the Family Law case except for the motion for joinder. However, there were no appearances at the hearing re joinder and the matter was taken off calendar.

At the continued guardianship hearing on 1-31-13, Attorney Wilson represented to the Court that further action would be initiated in the "inactive" family law case by way of ex parte action. Attorney Glenn Wilson, who represents the Petitioners here, also represents the father in the family law matter.

Update: Per Minute Order 3-20-13 in Dept. 202 [Judge Nystrom-Geist], the paternal grandparents are joined on a temporary basis due to current temp guardianship. The Court found an immediate risk to the children with the mother and must place the children with the father if the Probate Court does not extend its order. Mother shall have visitation or contact. Mr. Wilson is to provide proof regarding dismissal of the CPO. The Court will order sole legal and physical custody to the father if the Court does not extend guardianship. Matter set for further hearing 4-8-13 pending the outcome of the Probate Hearing on 4-5-13.

Probate Status Hearing Re: Failure to File a First Account or Petition for Final Distribution (Prob. C. 12200, et seq.)

DOD: 12-16-08		<p>JUDITH A. ELIA, Daughter, was appointed Executor with Full IAEA without bond and Letters issued on 2-15-11.</p> <p>Inventory and Appraisal Partial No. 1 filed 6-27-12 includes real property valued at \$110,000.00, and a Reappraisal values the property at \$80,000.00.</p> <p>On 11-29-12, the Court set this status hearing regarding failure to file a First Account or Petition for Final Distribution.</p> <p>First Status Report of Judith A. Elia, Executor of the Estate filed 1-23-13 states that on 6-28-11, the Court settled the final account in the conservatorship estate requiring delivery of the assets, consisting of \$86,681.28 cash and a 50% interest in the real property to herself as the Executor of the decedent's estate. A receipt filed in the conservatorship reflects that \$70,323.53 was delivered to the estate after all fees were paid. Since the close of the conservatorship, the Executor has held and preserved the funds in the estate checking account pending the sale of the real property. She has recorded an Affidavit of Death of Joint Tenant to clear the decedent's husband from title so that 100% of the real property is subject to her administration. She has used appropriate estate funds for maintenance of real property and property tax.</p> <p>The sale of the property took longer than usual due to the market conditions in Firebaugh. The petition for final distribution has been delayed due to the difficulty of selling the property. The first sale fell out of escrow. The second sale closed on 12-7-12 and proceeds of \$74,270.24 were deposited into the estate checking account.</p> <p>The executor is making her best effort to timely conclude the matter. Now that the property has sold, the Executor states she is able to prepare income tax returns and conclude the estate by 3-31-13.</p> <p>Final I&A filed 3-29-13 indicates a total estate value of \$384,423.39, including cash, IRA, annuity.</p>	<p>NEEDS/PROBLEMS/COMMENTS:</p> <p align="center"><u>OFF CALENDAR</u></p> <p>Final I&A filed 3-29-13.</p> <p>Petition for Final Distribution filed 3-29-13 is set for hearing 5-1-13.</p>
